

BECOME A CYBATHLON OFFICIAL!

LET'S MOVE PEOPLE AND TECHNOLOGY

CYBATHLON is a platform that challenges teams from all over the world to develop assistive technologies suitable for everyday use with and for people with disabilities.

On the road to CYBATHLON 2024, the teams can compete in CYBATHLON Challenges, where selected tasks from various disciplines must be solved.

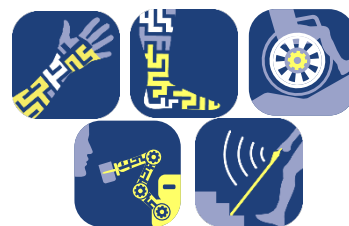

Become a CYBATHLON referee or scorer and be part of this unique experience!

PLAY TRAILER

The second edition of **CYBATHLON Challenges** will take place on **29 March 2023** – at the Zurich hub and globally, at the teams' home bases. At the teams' home bases, the **teams** will set up their infrastructure for the competition. The competing pilots will start under the supervision of CYBATHLON officials. From Zurich, the competitions will be broadcasted in a live programme. CYBATHLON Challenges in March 2023 include the following five **disciplines**:

- ▶ Arm Prosthesis Race
- ▶ Leg Prosthesis Race
- ▶ Wheelchair Race
- ▶ Assistance Robot Race
- ▶ Vision Assistance Race

REFEREE

ROLE DESCRIPTION

To become a CYBATHLON referee, no foreknowledge is required, CYBATHLON will train you for this role. Your responsibility as a referee is to guarantee the pilots' compliance to the competition rules during the races.

This includes:

- ▼ Control of correct track set-up according to the definitions in the rulebook prior to the competition and races.
- ▼ On-track refereeing during the races of individual pilots
- ▼ Communication with the scorer and the teams

Since CYBATHLON is a competition with rules that are unique and detailed, you should:

- ▼ Have an eye for details
- ▼ Be able to take fast decisions
- ▼ Study the [CYBATHLON rulebook](#) prior to the competition
- ▼ Not have an affiliation with any team
- ▼ As a plus: have experience in refereeing from other sports or competitions

You will be responsible for one discipline at your local hub and we will instruct you via online meetings in advance to the competition. Local travel expenses can be reimbursed.

You should bring time as indicated below.

March 13 – March 15	March 16 – March 27	March 28 – March 29
Self-study of the rulebook: ca. 2 h	Online training session: ca. 1 h	Test event, 28 March: ca. 3h
	Online rule test: ca. 1/2 h	Event, 29 March: ca. 3h

SCORER

ROLE DESCRIPTION

To become a CYBATHLON scorer, no foreknowledge is required, CYBATHLON will train you for this role. Your responsibility as a scorer is the recording of the results and task time during the competitions.

The scorer also acts as deputy to the referee in case of absence.

This includes:

- ▼ Entering the results / decisions and time-keeping during the race according to the referee's ruling via smart phone
- ▼ Collaboration with the referee and the teams
- ▼ Deputy to the referee in case of absence

Since CYBATHLON is a competition with rules that are unique and detailed, you should:

- ▼ Have an eye for details
- ▼ Be able to take fast decisions
- ▼ Study the CYBATHLON rulebook prior to the competition
- ▼ Not have an affiliation with any team
- ▼ As a plus: have experience in refereeing from other sports or competitions

MANUAL SCORER

ROLE DESCRIPTION

To become a CYBATHLON manual scorer, no foreknowledge is required, CYBATHLON will train you for this role.

Your responsibility as a manual scorer is the recording of the results and task time in a manual manner during the competitions to ensure fair scoring regardless of any connectivity issues.

The manual scorer also acts as deputy to the scorer in case of absence.

This includes:

- ▼ Entering the results / decisions and time-keeping during the race according to the referee's ruling on a score sheet
- ▼ Collaboration with the referee, scorer and the teams
- ▼ Deputy to the scorer in case of absence

Since CYBATHLON is a competition with rules that are unique and detailed, you should:

- ▼ Have an eye for details
- ▼ Be able to take fast decisions
- ▼ Study the CYBATHLON rulebook prior to the competition
- ▼ Not have an affiliation with any team
- ▼ As a plus: have experience in refereeing from other sports or competitions

You will be responsible for one discipline at your local hub and we will instruct you via online meetings in advance to the competition. Local travel expenses can be reimbursed.
